

Welcome to the WriFe Pilot Programme

January - June 2026

Dear Pilot School Team,

Thank you for joining the WriFe pilot programme. You are one of 10 to 20 UK primary schools helping me validate a new approach to writing instruction across Years 2 to 5.

This Starter Pack contains 30 printable resources covering Lessons 1 to 67 of the WriFe curriculum. Together with the Interactive Practice activities at app.wriFe.co.uk, you have everything you need to deliver the free tier of WriFe (Lessons 1 to 31) in your school over the next six months.

WHAT IS IN THIS PACK

- **30 ready-to-print resources** organised by chapter (Tier 1 reference materials, Tier 2 lesson worksheets, Tier 3 specialist tools)
- **A Master Resource Plan** mapping every lesson to its accompanying resource
- **This Welcome Letter** outlining the pilot timeline and your role
- **A Quick Start Guide** showing teachers how to use WriFe in five minutes
- **A Resource Index** for fast navigation to specific lessons

THE PILOT TIMELINE

January 2026	Pack delivered. Optional online training session for staff.
Jan - Mar 2026	Begin teaching Lessons 1 to 17 (Chapter 1: Stories and Words).

May - June 2026	Continue Chapters 2 to 3. Final evaluation in mid-June.

HOW TO GET STARTED (5 STEPS)

1. Read the **Quick Start Guide** (it takes 5 minutes).
2. Browse the **Resource Index** to see what is available.
3. Print the **Tier 1 reference materials** for permanent classroom display.
4. Print individual **lesson resources** as you teach each lesson.
5. Pair the printables with the **Interactive Practice** activities at app.wriFe.co.uk.

GIVING FEEDBACK

Your honest feedback shapes how WriFe develops before national release. There are three ways to share it:

- Email any observations or questions to **feedback@wriFe.co.uk**
- Complete the **mid-pilot survey** in April 2026 (takes 10 minutes)
- Join the optional **monthly pilot call** on the first Wednesday of each month

Thank you again for being part of this pilot. The work you do over the next six months will shape how primary writing is taught for years to come.

With thanks,

Michael Ankrah
